VeriTrusted System

Part number: VTS10

Function:

Android

10-inch

Qualcomm

NFC

Wear Mask

Fast Speed

Rich Ports

IP66

The VeriTrusted System VTS10 10-inch customized all-in-one machine can be embedded with various face recognition modules, offering greater flexibility for creative combinations and enhanced compatibility.

The product incorporates an integrated guidance light system, enhancing visual harmony in the overall design while delivering more prominent directional indicators.
